Some will happen almost overnight. Everything you do matters. It was also the approach taken by a national retailer that was looking to build. Every corporate culture has behaviors that will help you enable the change you want and others that will hinder it. We serve people differently. If you are one of the leaders, are you behaving strategically? This is an effective way to learn the best practices in the field and to benchmark ability. Also, remind them of the talents they have that will be useful in accomplishing the task.
