Before he was out of his teens, he was a fixture on the New Orleans music scene; a few years later he moved to Chicago, where he made the records that changed jazz history. Ayatollah Khomeini felt a holy mission to rid Iran of what he saw as Western corruption and degeneracy and to return the country, under an Islamic theocracy, to religious purity. The era was also marked by a preoccupation with proper behavior in society and domestic life, a topic that figures prominently in the works of Collins and other Victorian writers.

Not only did he contribute to the expansion and popularity of the genre and to the sophistication of its technique, but he produced a number of stories represented in several current selections that are still highly readable today. We should

have felt it brutal in us who had a better chance of being heard than the working-man, to leave the thing as it was, so we knocked at the Workhouse Gate.

In February Dickens went to Preston to observe a strike of cotton workers that in one article on 7th June, he commented "I may quarrel with Mr.
