However, I do find it unsettling that local Appalachian music has lost almost all appeal and support amongst the Knoxville community at large. A popular talking point for conservative critics in particular is the divorce rate that's been on the rise since the mid-twentieth-century marriage boom. In times of economic crisis, many pundits and politicians choose to blame our problems on a degraded "culture" in order to avoid discussing the fiscal and political systems that reward some fantastically, while simultaneously forcing many people—those without developed professional networks, high-end degrees, and access to capital—to run themselves ragged just to avoid eviction River of Memories: An Appalachian Boyhood hunger.
