Culture Says to Listen to Your Heart – Here's Why You Shouldn't

But one thing is clear: your heart is the one who tells your head when it's ready They will become the person you decide to love and care for.

***How* to Follow Your Heart - Relationship Coaching -A Healthy Path to Love**

Love makes the world go round, love is all you need, and love is actually good for your heart health! Find out how.

**How can you use your heart to transcend your thinking mind? -
Ram Dass**

You have been told over and over again to listen to your heart, but the people telling you this are not telling you the other half of the story.

Love your heart: a guide to support recovery and good heart health | The Heart Foundation

Above all other voices, listen to your heart. Trust this internal The more you tune in, the more it'll tell you: you're wise, loving, kind, capable. You'll make it.
