This book focuses on how Scandinavian interiors are naturally inspired by light: given the abundance of light in the summer and its scarcity in winter, houses are designed to maximise the amount of natural light in the winter, and to allow the inhabitants to enjoy being outdoors during the summer. Better for You because Q Collection use only natural, non-toxic materials that are designed for superior air quality. Tech culture.

Strawberries can be grown in almost any warm seasonal climate but when growing in  
When looking for contemporary style bathroom inspiration stick to the concept of a clean, serene oasis. Porous materials, such as open-celled foam, provide sound absorption due to their interconnected pore structure. FlooringData. Find your bookmarks in your Independent Minds section, under my profile.
