The film inherited a key from the book that becomes a stylistic approach to the visuals: in Beirut you live like there is no tomorrow, because you could not be alive the next day. All in one year.

There are also loads of great little bars and restaurants in hip districts like... Having a strong background in art-house documentaries, in the past few years Vivo film has expanded its targets to the production of feature films, aiming for projects exploring new territories. I love Beirut for all the reasons of the world. Really though I love Lebanon because I feel lost without it. If you're not lovestruck just yet we welcome you to come visit the city and see for yourself what we mean. She became my agent and got it published into several languages, and then I spoke...
