In the classroom a problem situation is briefly acted out so that the individual student can identify with the characters. The Guided Panel. The forum is also a form of review in which the audience can again think through the issues, thereby providing additional order and design to the learning experience.

I decided to attempt a dialogical approach, just to see what would happen. For As a matter of fact, the outline should be just detailed

enough to enable them to see how you are proceeding in the presentation of the material, but empty enough so that they can take notes during the lecture. Be sure to allow for creativity of the actors within their character roles and do not overstructure the situation. Definition: One of the most challenging tasks in being an effective teacher is to create a learning environment, which adequately addresses the needs of all students.

Specify clear objectives for the lecture. Am I right? Search verses, phrases, and topics e. Your discovery starts .
