She wrote fantasies, contemporaries, bodice rippers; she
chugged along following her muse. It was this passion that
drove him to create his first book cover as a gift for a
friend's first published novel, and now he gives life to many
more characters and their worlds. English is not his native
language, and a frequent question is why he does write in
English.

Error rating book. Often coupled with an art nouveau
aesthetic, and always inclusive and diverse, solarpunk stories
show the ways we have adapted to climate change, or the ways
we have overcome it.
