SillMarienlyearagoandhemay,accidentally,berightabout. Written by two generations of one family with illuminating case studies, tips and practical ideas? These can sometimes seem very bizarre to our generation, but as will be explained in more detail later, pregnancy care and birth practices have changed beyond belief over the past 20, not to say 30, years. Veryinformative!BuyAsGift.It also offers advice on how to offer the best kind of support and advice without the parents of a new baby feeling crowded or criticised.
