Aspects of building and settlement morphology are examined and the potential of artefactual and ecofactual data for adding refinement to our understanding is explored. It is sited on the Roman road known as the Ermine Street and is situated in the county of Lincolnshire. Continue shopping.

See below for details of these sites. Jackson, R. Even though the Dobunni were incorporated into the Roman Empire in AD 43, their territory was probably not formed into Roman political units until AD This research, using a combination of disciplines, shows that stratified and dateable archaeology exists around the immediate Hillfort environs, much of it at depth not easily detectable with standard geophysics equipment.

Stretton Grandison, which lies, as we have seen, at a possible junction of Roman Welsh danger disappeared for a time in when Gruffydd ap Llewelyn was defeated by Harold and killed by his own people, but his earlier raids into Herefordshire had shown that the county could not be defended by its own resources.
