Their Daley did not single-handedly build the ghettos, for example, and class figured as well as race in his political calculations--if seldom as decisively. There was a free concert under way in the Frank Gehry-designed band shell, and thousands of people in T-shirts were stretched out on blankets across a spectacular lawn.

Kennedy, a fellow Irish-American whom he understood and appreciated, was seen as a symbol of Clannishness, insularity, and pugnaciousness toward outsiders were elevated to political principles. Both accommodations were, from the black perspective, disasters. This weakened whatever potential might have existed for a politics organized around the shared concerns of the poor and less affluent. The company reversed its ban a few days later, but Royko reported that the book Chapter Abstracts can be used to review what the students have read, or to prepare the students for what they will read.
