There had never been any job like. In *Help Me Find My Spaceman Lover* Edna Bradshaw falls in love with Desi, a man who claims to be from space, and is forced to make a choice: either stay with her dysfunctional family in the South or elope - into space! Smell it in the antiseptic halls of a hospital where a lonely janitor mops the floors by night, aware suddenly of a ghostly presence at his .

Kingasapoet?Makesforasurprisinglyfinerecipe. Christmas from the Heart. *The Bus Is Another World* - Kinda thought this would be a great fantasy title, but no, it was more of a story about tight distraction.

The lush prose suits the atmosphere. I actually liked the societal preaching stories, exploring the lives of Vietnamese refugees in Louisiana, gave voice to an important minority group which did not yet have its own herald - and were a showcase of riveting storytelling, with a convincing narrative tone and deep respect for the people they described. *Drunken Fireworks* was comedy, but enjoyable.
