And yet, the Depression also brought out the finest in Californians: state Democrats fought for a local New Deal; California natives helped care for more than a million impoverished migrants through public and private programs; artists movingly documented the impact of the Depression; and an unprecedented program of public works capped by the Golden Gate Bridge made the California we know today possible. From its origins as a seaside resort to its fame as a countercultural hub, Venice Beach boasts a rich history. Works can belong to more than one series. Note: Citations are based on references. The Starr falls a bit with this episode. This volume was published 23 years after the first and hey we all change. Rating details.
