Powers is the only one capable of writing such a book. I Orfeo
very impressed by the Booker longlist this year. The book
feels something like that: all the time you are reading it,
you feel Orfeo there is more going on, there are things you
could hear if your ear or imagination was up to the task.

other stars almost pale next to their splendour. In the London
Saturday Reviewmusic critic Dyneley Hussey called the Orfeo
"one of the most important events of recent years"; the
production had "indicated at once Monteverdi's claim to rank
among the great geniuses who have written dramatic music".
